Unfortunately, due to the current Covid19 restrictions we had to postpone the BMT until further notice. It will be rescheduled once restrictions are lifted. This was for the safety of the Group and their Guests.

### End of June

The Table runner challenge is due end of June.

We were to display the Table Runners at the BMT. As the BMT has been postponed your table runners can be presented to Marlene Sheehan to co-ordinate with Ferry Park to proceed with the display for July. Please tag your runner with your name and your desire to sell or display only.

## **Val Wright project**

Flannelette hearts for mothers of new born in care babies. Please see Val if you have completed any to date. This is an ongoing project as these items are always required.

## **Zone Day 2021:**

The date for this year's Zone Day has finally been decided.

Mark your diary for 28th August 2021. It is to be held at St. Johns Catholic Primary School in Mullumbimby, 9.30am - 2.00pm. Tickets will be \$10 each .

Tickets must be purchased by 27th July 2021.

The convenors will follow Maclean Patchwork and Quilters example and aim for a Zero waste day. So please bring your own cup for morning tea, which will be provided.

Please supply your own lunch and the plates, cutlery etc. In order to achieve zero waste allow for any waste you do have to go home with you.

There will be a raffle of a Bernina Sewing Machine.

Rainbow Patchwork and BB Bold will have stalls on the day.

The challenge for the Zone Day is to contribute one Charity quilt per Group. (I think we will have no problem finding a quilt to donate.)

## **September 1st - 5th**      Sydney Quilt Show

Due to Covid19 restrictions this event has been rescheduled from end of June to the above date. The current lockdown in Sydney is to last until 9th July. Please check all available information on this ever changing situation.

## **Patchwork Quotes**

"In the quilt of life, Friends are the stitches that hold it together."

" Families are like old quilts...although they tend to unravel at times...each can be stitched back together with love."

"I've spent most of my life making quilts. The rest I've just wasted."

"When life gives you scraps, make a quilt."
